DR. GEORGE C. STIRLING

Dr. George Stirling was born in Toronto and went through Forest Hill Village school system for his grade school and high school education. He graduated from the Faculty of Dentistry, U. of T. in 1960 and is currently doing post-graduate studies leading to a Bachelor of Science degree in Dentistry.

Dr. Stirling has served on the Academy of Dentistry Council since 1962, first as a councillor to Central Toronto Dental Society and then on the senior executive. He was President of Central Toronto Dental Society in 1965-66 and again in 1967-68. He is an active member of the Toronto Radiodontic Study Club and the Canadian Academy of Prosthodontics.

Dr. Stirling has been in private practice in Toronto since his graduation, worked part-time for the Children's Aid Society Metropolitan Toronto in the Dental Department from 1960-65, has been on the staff of the Faculty of Dentistry, U. of T. since 1965 and is on the courtesy staff of the Toronto Western Hospital.

Dr. Stirling is married to the former Gail Leggett of Kipling, Saskatchewan and they have three sons, David, Robert and James. He is a member of Forest Grove United Church, Willowdale.

President's Foreword

Your Academy Council has put a great deal of thought and effort into this year's program in order to provide you, the members, the very best in this year's activities. Your continued support of these functions, both educational and social, is the best show of appreciation you can give. We also welcome and benefit by any suggestions you may have that will help us improve our program.

Again this year, we will be having two all-day clinicians. The reasons for continuing with this type of stated meeting are several. It is not practical to bring in an out of town clinician to speak for an evening only. Also, our previous evening meetings were not all that well attended whereas we are getting an excellent turnout to the all-day sessions.

The Camp Borden trip will take place again this year by popular demand. Those having attended in the past will realize the reason for this.

The Golf Tournament and the Dinner Dance have been moved up this year, so we should get off to a good early start.

We are looking forward to a successful year and on behalf of the Council, I wish to thank you for your continued support and co-operation.

GEORGE C. STIRLING,

President.

HONORARY LIFE MEMBERSHIP

HAROLD ROY SKILLING

Harold Roy Skilling was born at Teeswater, Bruce County, Ontario where he received his primary and secondary education. He enlisted in the 5th Field Ambulance, September 1914 and was wounded in the Battle of the Somme, September 1916. After discharge from hospital, Dr. Skilling transferred to the Royal Flying Corps and received his wings and completed training on Sopwith Camels. He returned to Canada, July 1919 and in September entered the School of Dentistry where he graduated with the Class of 2T3.

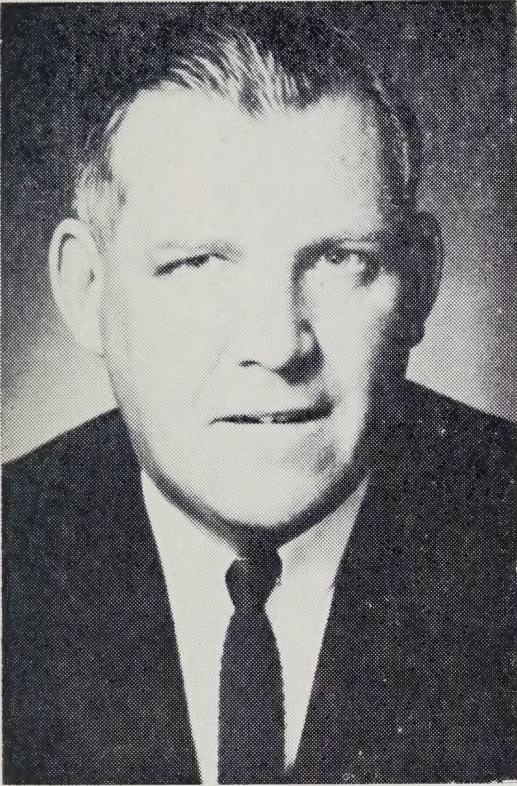

Dr. Skilling was active in his local society and followed to the Council of the Academy of Dentistry assuming the presidency in 1944. He then served on the Board of Governors of The Ontario Dental Association for three years and later was chairman of the Public Relations Committee of the Canadian Dental Association for several years.

Having a keen interest in public health, Dr. Skilling accepted the appointment as Director of Dental Services for the Combined East York-Leaside Health Unit. This continued for a period of thirteen years. Counselling of parents in matters of dental health rather than treatment was the feature of this service.

Dr. Skilling was elected a Fellow of the International College of Dentists in 1964 and is currently treasurer of the Canadian Section.

Outside of dentistry his chief activity has been Boys' Work with the Optimist Club of Toronto (Downtown). He was a charter member in 1924 and has chaired every major committee, becoming president in 1936. Dr. Skilling continues to be active in the operations of this service club. He is a member of the Session of Timothy Eaton Memorial Church where he sang in the choir during his undergraduate years. Dr. Skilling continues in active practice and likes it.

BIOGRAPHY

Dr. W. J. S. Melvin was born in Kingston where he attended public school. His secondary education was at Upper Canada College, Toronto. Returning to Kingston, he attended Queen's University receiving his B.A. in 1940 and M.D.C.M. in 1943.

He served in the Royal Canadian Navy Volunteer Reserve as surgeon-general until the end of the war. He took postgraduate training at Vancouver General Hospital, Queen's University and four hospitals in the United Kingdom receiving a Fellowship in the Royal College of Surgeons, London in 1949.

After further training at the Massachusetts General Hospital in 1951, Dr. Melvin practised orthopaedic surgery in Kingston and was a member of the teaching staff at Queen's from 1952 to 1965. He has been a staff member of many Eastern Ontario hospitals and is presently on several medical advisory committees. He is now practising in Scarborough and is on staff at the Scarborough General Hospital.

Dr. Melvin has been on the Board of Directors of the Ontario Medical Association since 1962 and was Chairman in 1965, Vice-President in 1966 and President during 1967. In April 1969 he began a four year term as representative for Metro Toronto on the Council of the College of Physicians and Surgeons of Ontario.

Guest Speaker:

DR. H. R. MacLEAN,
President,

Canadian Dental Association

BIOGRAPHY

Dr. MacLean was born in Finch, Ontario, October 23, 1904. His early education was in Saskatoon and the University of Saskatchewan. He received his D.D.S. from the University of Alberta in 1928 and has practised in Edmonton since that time.

Dr. MacLean has been on the Academic Staff of the University of Alberta since 1935, where he was head of the Department of Restorative Dentistry 1935 to 1958 and the Oral Diagnosis Section from 1948 to 1958. He is now Dean of the Faculty of Dentistry from 1958 to 1970.

Dr. MacLean has been active in organized dentistry at all levels and served as President of his local association 1943-44 and President of the Alberta Dental Association in 1942 and 1952-53. He has represented Alberta on the C.D.A. Board of Governors since 1963 and has been on the Executive Council since 1965.

Dr. MacLean has been on the National Dental Examining Board since 1952 and was President in 1957. He is a Fellow of the American and International Colleges of Dentists and a member of the American Academies of Oral Roentgenology and Gold Foil Operators.

FIRST STATED MEETING

ROYAL YORK HOTEL

9:00 a.m. - 5:00 p.m. — Luncheon Included

THURSDAY, JANUARY 22nd, 1970

Essayist:

Lt. Colonel PAUL S. SILLS

Topic:

**“An Approach to Removable
Partial Denture Design”**

Over the years many philosophies have been suggested for designing removable partial dentures. In many cases, the complexity of the methods and their application to the numerous classifications have caused confusion and misinterpretation of the basic principles. This presentation will suggest a simple organized approach to denture design involving the selection of components, mouth preparations, impression methods, jaw relation records; and the diagnosis of complaints for tooth-borne and free-end extension removable partial dentures.

BIOGRAPHY

Lt. Col. Sills is Chief Instructor and Head of Prosthodontics at the Canadian Forces Dental Service School at Canadian Forces Base Borden, Ontario. He is a Diplomate of the American Board of Prosthodontics and a member of the Canadian Academy of Prosthodontics and the American Prosthodontic Society.

SECOND STATED MEETING ROYAL YORK HOTEL

9:00 a.m. - 5:00 p.m. — Luncheon Included
THURSDAY, FEBRUARY 19th, 1970

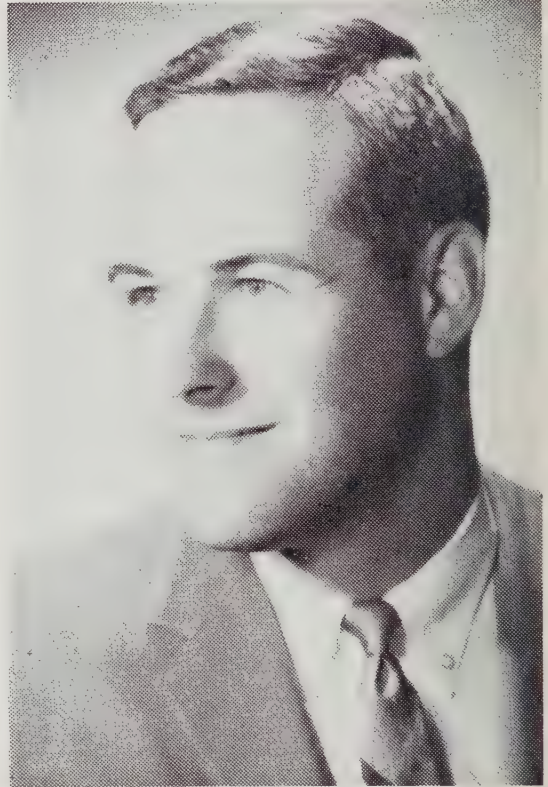

Essayist:

H. WILLIAM GILMORE,
D.D.S., M.S.D.

Topic:

“Current Concepts in
Operative Dentistry”

Synopsis: New methods of tooth reduction and restoration will be presented and illustrated with Kodachrome slides. The influence of preventive measures, refinements of materials and techniques will be emphasized and presented in a manner that has application for the busy dental practice. Time will be devoted to all the main aspects of operative procedures by covering the recent developments that have taken place.

BIOGRAPHY

Dr. H. Wm. Gilmore was born in Evansville, Indiana in 1933. He received his D.D.S. at the University of Indiana in 1958 and his M.S.D. in 1961.

He has been a member of the department of Operative Dentistry at the University of Indiana and appointed Professor from 1960-1967. Dr. Gilmore was a member of many administrative committees from 1958 to 1968, and has been very active in local, state and national Dental Associations.

Dr. Gilmore has travelled extensively throughout the United States, Canada, Puerto Rico, Mexico and Hawaii giving lectures in different phases of dentistry. Dr. Gilmore has had published twenty-six articles on various topics of dentistry and has taken part in numerous research projects.

SECRETARY'S REPORT — 1968-1969

Under the direction of Dr. Bert Levin, President, Academy members enjoyed an excellent programme, both educational and social, during the past year.

The Annual Golf Tournament held at Cedarbrae Golf and Country Club marked the opening of the year's activities. The day was a great success and our thanks go to George Richards and Roy Schweizer for their capable chairmanship.

The speaker at the Annual Opening Dinner on October 24th was Mr. Mavor Moore, General Director of the St. Lawrence Centre for the Arts. During the evening, Dr. J. H. Johnson on behalf of the Academy, presented Dr. R. Sidney Woollatt, a Past President, with an Honorary Membership. A special table was reserved for members of the Class of 1T9 who were celebrating their 50th Anniversary and Dr. Levin presented each man with a certificate in appreciation of his years of service to the profession.

Rosedale Golf Club again provided the delightful setting for the Dinner Dance on November 8th. Thanks to Dr. Gordon Marshall's capable direction, good food and entertainment were enjoyed by all.

Under the chairmanship of Dr. George Stirling the Winter Clinic provided an excellent one day programme. Dr. John Macdonald was the Luncheon Speaker and Dr. Henri Brouillet, President of the C.D.A., addressed the members at dinner.

The three Stated Meetings were well attended. Papers were presented by Dr. Jerome Schweitzer and Dr. Frank Celenza both of New York. The third meeting was again "Academy Day at Camp Borden". The excellent clinicians and good fellowship made this a memorable day for those in attendance.

The Curling Bonspiel held at Thornhill Golf and Country Club was, as always, a most successful event.

We extend our thanks to members of the Academy Council who gave their time unstintingly on the many Committees. Bernie Crystal edited the Year Book, Bill MacKenzie headed the Referee Board on Dental Care, Don McKee handled publicity, Geoff Smith arranged the Emergency Service Roster, Warren Heaslip dealt with Public Relations and Fellowship, Ron Anco conducted the Dental Assistants Course, Bob Hall was Chairman of Study Groups, Housing and Equipment and Rod Moran chaired Dental Public Health. Special mention should be made of Jack Linghorne, Chairman of the Dental Division of the United Appeal Campaign and Bruce Hord who continues to act as General Chairman for Mediations.

We are sorry to lose Warren Heaslip and Geoff Smith from the Academy Council and extend a hearty welcome to Bob McKegney, Merv Suntok and John Storms who will be serving on the Council for the ensuing year.

WILFRED J. MCCOLEMAN,
Secretary.

REFEREE BOARD ON DENTAL CARE

Once again, the generous donation of money given by the Ladies' Auxiliary to the Academy of Dentistry, Toronto has made it possible for eight children to receive extensive dental treatment without financial obligation. Needless to say, this would not have been possible otherwise. Another four children are still under treatment and more are being considered. There is always a carryover from one year to the next.

This service is greatly appreciated by the children. May I quote from a boy of thirteen, an accident victim, who wrote to the Ladies in appreciation of their assistance as follows: "I would like to thank you for the very nice teeth. They look very nice. Thank you again".

The majority of the patients are selected by the Director of Dental Services for the Department of Public Health, Toronto. Following this careful selection, the Chairman receives a treatment plan and fee estimate from the participating dentist. Consultation takes place before approval is given and treatment begun. This year one child from the Ontario Crippled Children's Centre was helped by payment of extraordinary laboratory expenses. This is a very satisfactory method, enabling the Chairman to spend the funds wisely and still give attention to special cases where possible.

So may I say to our Ladies' Auxiliary, you deserve great credit for making it possible for these children to receive this dental treatment. It is a great blessing, not only for the recipients, but for everyone involved. May your good works be continued in the future.

WILLIAM S. MACKENZIE,
Chairman,
Referee Board on Dental Care.

EMERGENCY SERVICE

The Toronto Academy Emergency Service operated last year as usual with few modifications. Its primary service is to provide a public service emergency treatment for Metro and area, after normal business hours, week-ends and holidays.

I personally would like to thank the men acting on the service and Mrs. Durham for her able assistance with programming.

A survey was conducted by the Academy this year, aimed at determining various load vectors handled by the service. The conclusions drawn from this survey will help improve and direct further Academy emergency service.

GEOFFREY P. SMITH,
Chairman.

DENTAL ASSISTANTS' COURSE

The completion of the 1968-69 Academy sponsored Dental Assistants' course at Ryerson Polytechnical Institute saw 63 girls successfully graduate. A total of 82 applicants took the course, of which about 50% were already working as dental assistants in the dental profession.

Each year the Academy provides two prizes and these were awarded to Mrs. Janet Korn and Mrs. Louise Stephens who graduated at the top of the class.

The graduation ceremony was held in the Great Hall of Hart House. Dr. Jolley, President of the Royal College of Dental Surgeons presented the diplomas. The guest speaker was Dr. A. Bruce Hord, Faculty of Dentistry, University of Toronto.

The Academy would like to express it's appreciation to all the lecturers for their assistance in making this year's course a success.

I would also like to take this opportunity to thank everyone who helped in organizing this course, especially our Academy Secretary, Mrs. A. Durham and, of course the co-ordinator, Mrs. Dorothy Ferguson, who after 9 years will be leaving us to accept the position of Assistant Director of Nursing at North York General Hospital.

RONALD S. ANCO,
Chairman.

Call Mr. Hannah for complete information regarding employment of full or part-time assistants:

1. If you are a dentist who wishes to employ a nurse or assistant.
2. If you know of a nurse or assistant looking for a position in a dental office.
3. If you wish an assistant with no previous dental experience to learn your own office routine.

MEDIATIONS COMMITTEE

Since July 1968, approximately one hundred written enquiries have been received by the Academy of Dentistry from the patients of Toronto dentists, many others have been received by telephone.

The majority of cases are in connection with fees charged for dental treatment or dissatisfaction with dental treatment, particularly "ill-fitting" dentures.

In five cases, the complaints were referred to the R.C.D.S. Complaints Committee for investigation, due to the seriousness of the allegation or to an impasse between the dentist and patient which could not be resolved by the Mediations Committee.

On behalf of the social service agencies of Metro Toronto, I express sincere thanks to the 743 dentists who donated to the 1968 United Appeal Campaign. Dentistry raised 99.8% of its goal.

I would especially like to thank the above Captains and the 90 volunteer dentists and canvassers, all of whom gave generously of both their time and money to this very necessary cause.

Dr. S. J. Rosenbaum will be Chairman of the Dental Section of the United Appeal Campaign 1969. I would urge that you give Dr. Rosenbaum such support that we will reach 100% of our goal in the 1969 Campaign.
